

Checklist

STEP 6 - REPORTING

- ✓ Take stock of the existing mechanisms, tracking progress on other international agreements (for example, VNRs, UPR and treaty body reporting) into which GCM-related reporting processes can feed.
- ✓ Identify opportunities to leverage synergies across the various reporting mechanisms.
- ✓ Consult the Network's suggested guidance on the regional reviews. Draft inputs based on national capacity, including potentially a report.
- ✓ Collaborate, engage and partner with the Network, Regional Economic Commissions and all other relevant stakeholders to co-create, facilitate and participate in regional reviews.
- ✓ Chart out a clear path for your country's contribution to and participation in the International Migration Review Forum (IMRF), building on lessons learned and experience in developing inputs for the regional reviews.
