⬤ GUIDING QUESTIONS

1. In your country, what are the bodies and actors (governmental or non-governmental) that collect and process migration data?

2. Given your country's migration context and existing resources and capacities, what reporting mechanisms should be established to evaluate GCM implementation?

3. How can reporting mechanisms be designed to be adaptable in moments of societal upheaval, such as during a global pandemic?

4. Recall the data mapping from **Step 3**. What are the main migration-related data gaps in your country context and what are some of the ways that they can be filled?

5. What are the migration data gaps that have become more apparent in light of COVID-19?

6. What are some of the ways your government can effectively improve its migration data capacity?

7. Other than collecting quantitative and qualitative data, what are other possible formal and informal ways that your government can evaluate progress on GCM implementation?

8. How, and how often, will your government use the data collected to review, refine and adapt its GCM implementation plans and actions?

9. What is the impact of the GCM implementation efforts on the human rights of impacted persons?
